

## **New Member's Pack**

### **Welcome to Ise Valley U3A**

On behalf of the committee, members and myself, welcome to the Ise Valley U3A.

Since its conception over 25 years ago, the national U3A is the fastest growing organisation specifically designed for the retired and senior members of our society, and membership has many benefits, first and foremost the potential to make many new friends.

'University' might seem rather a grand title, but it can and does cover a wide variety of activities and interest groups. There are the more academic activities such as musical appreciation, art and craft, board and card games plus physical activities such as swimming and walking. Then there are the outings, not forgetting the regular lunch dates. The complete list of our current activities is included in this pack though, unfortunately, some of the groups are full. The choice is yours - you may join as many or as few as you like. If you have a particular interest or hobby that is not already being accommodated, why not start a group of your own (Please! – you do NOT have to be an expert). We can give you lots of help and support to do this.

Then there is the regular monthly meeting which takes place on the 2nd Wednesday of the month in the Eden Open Church (doors open at 1:30pm), when we have a variety of excellent speakers, a chance to chat, have a cup of tea, and examine information from all the interest groups which are displayed in the halls. Don't forget the raffle!

Your subscription covers Monthly Meetings, membership of Groups (which may at their discretion make additional charges to cover running expenses), and affiliation fee to the national Third Age Trust.

We look forward to welcoming you as a member, and we hope you enjoy your time with us.

Sylvia Dale  
Chairperson

# Aims and Principles of the U3A

The Universities of the Third Age (U3As) in the United Kingdom are autonomous, self-help organisations run by the voluntary efforts of their members.

## The aims of Ise Valley U3A are:-

- To encourage and enable older people no longer in full-time paid employment to help each other to share their knowledge, skills, interests and experience.
- To celebrate the capabilities and potential of older people and their value to society.

## Programmes.

- We offer learning activities which reflect members' wishes and which aim to satisfy the widest possible range of interests: educational, cultural, recreational, physical and social.
- We make use of new technologies as they become available.

## Purpose, Styles and Methods of Learning.

- Our approach to learning is – learning for pleasure.
- There is no accreditation or validation and there are no assessments or qualifications to be gained.

## Funding.

- We are funded in the main by the subscriptions of our members.

## Association.

- We collaborate and share expertise and facilities with other U3As in Northamptonshire.

If you are a tax payer, can you please also tick the Gift Aid box on the Membership Application. This will allow us to claim money from the Revenue for every £1 that you pay and helps the U3A keep subscriptions lower for all of our members.

## The web site

Our Ise Valley U3A Newsletter is provided at the monthly meetings or it can be read or downloaded from our website at [www.isevalleyu3akettering.org.uk](http://www.isevalleyu3akettering.org.uk). On the website you can find the latest Newsletter and details of the Committee as well as information about our Group Activities. The Newsletter contains details of all our activity groups and contact names and phone numbers. Or you can email leaders via the website.
